true. If called upon as a witness to testify, I could and would, competently testify about the following facts.

- 2. On April 22, 2008, the Court issued an Order requiring an Answer to the Petition for Writ of Habeas Corpus no later than June 24, 2008.
- 3. Upon receiving the Court's Order, a paralegal in our office requested the relevant inmate records from the institution where Petitioner is incarcerated, and the relevant California state court records. However, as of the date of this declaration, the institutional records, the California Superior Court Petition and Opinion, and the Appellate Court Petition and Opinion have not yet been received by our office. I reasonably anticipate that it will take some time to receive and review these documents.
- 4. Respondent has requested the Court stay the proceedings pending issuance of the mandate in Hayward. To Respondent's knowledge, the Court has not yet ruled on Respondent's stay request.
- 5. Should the Court deny Respondent's request for a stay, Respondent will require adequate time to prepare a proper response to the Petition. Review and receipt of the relevant inmate and state court records is necessary for me to address the claims raised in the Petition, as well as comply with the Court's Order to lodge all records bearing on the merits of Petitioner's claims.
- 5. Accordingly, should the Court deny Respondent's request for a stay, Respondent respectfully requests a thirty-day extension of time from the date of the denial to file his Answer to the Petition for Writ of Habeas Corpus.
 - 6. Respondent has not previously requested an extension of time in this matter.
- 7. I do not believe that Petitioner will be prejudiced by this extension of time. This request for an extension of time is based on good cause as described above and is not made for the purpose of harassment, or to create undue delay or for any other improper reason whatsoever.
